

# School Sport Premium – Spending Report

Agreed by Governors:

Review Date:

## **WHAT IS THE SCHOOL SPORTS PREMIUM?**

Schools with primary age pupils receive the PE and Sport Premium. The funding is based on the number of pupils in years 1 to 6 and is in place to ensure schools achieve the following:

*“Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer.”*

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

## **RATIONALE**

Queensway School believe that physical education and competitive sport is an essential part of a child’s educational and emotional development. We aim to develop a balanced program offering a variety of activities to enhance skills in physical education. Positive participation in physical education will enable children to build, self-esteem, teamwork and positive attitudes in P.E. as well as the ongoing development of their emotional resilience, a common and significant barrier for our young people at Queensway School.

## **AIMS AND EXPECTATIONS**

We aim to:

- Develop confidence, skills and knowledge.
- Be proud of achievements.
- Promote fair play and respect.
- Offer competition through Intraschool and interschool activities
- Educate children to improve health and wellbeing.
- Provide quality opportunities for children inside/ outside of school time.

- Increase sports and leisure participation

Total funding allocation of Sports Premium:	£16,180
Total Sports Premium spend for 2020/2021 academic year:	£13,180

#### Summary Action Plan for the Sport funding identified and action planned within the school

Provision	Action	Success Criteria/Impact	Cost
A variety of daily Sports lunchtime / After School Clubs/ Booster sessions.	Sports 4 all (KS 2) Football club (KS 2) Football teams (Lower School Fitness (KS2) Badminton (KS2) Swimming (KS2)	A range of additional provision has been on offer to the children across the academic year with new activities being launched each term. The aim is to explore a wide variety of sports which allows them to find specific areas of interest. Most importantly, we have seen an increase in enjoyment of activities through engaging and fun sessions. We are now able to recognise and challenge talent whilst also inspiring those children who may be lacking social confidence. We have also highlighted students that previously didn't attend afterschool clubs and addressed participation barriers by offering those inclusive lunchtime clubs for key stage two.	£3,180
Playground equipment	Provide a range of equipment for a range of sports: Multipurpose balls, Playground games, mats,	To keep the children motivated to participate in sporting activities during 'free' time as well as building on skills that	£5,600

Summary for 2020/2021	<p>The use of sports premium has had a significant impact on our children this academic year. We have met our clear aims and the outcome is over 50% of our children have been involved in extra-curricular sport, 80% have attended 3 or more extra-curricular sessions and all students have actively participated in curriculum physical education.</p> <p>The role of our full time PE specialists is a significant one in the facilitation of sport, staff education and in raising the profile of sport in the school and the local community.</p>
Targets for 2021/2022	<p>To further develop the PE and Sport provision we intend to use the premium to promote the following:</p> <ul style="list-style-type: none"> <li>• Increase extra-curricular participation by 20%</li> <li>• Raise attainment in swimming</li> <li>• Modification to playground to make it more active / inspiring</li> <li>• As a part of our newly designed creative curriculum, the development of active learning based lessons and embed physical activity into school day</li> </ul>
